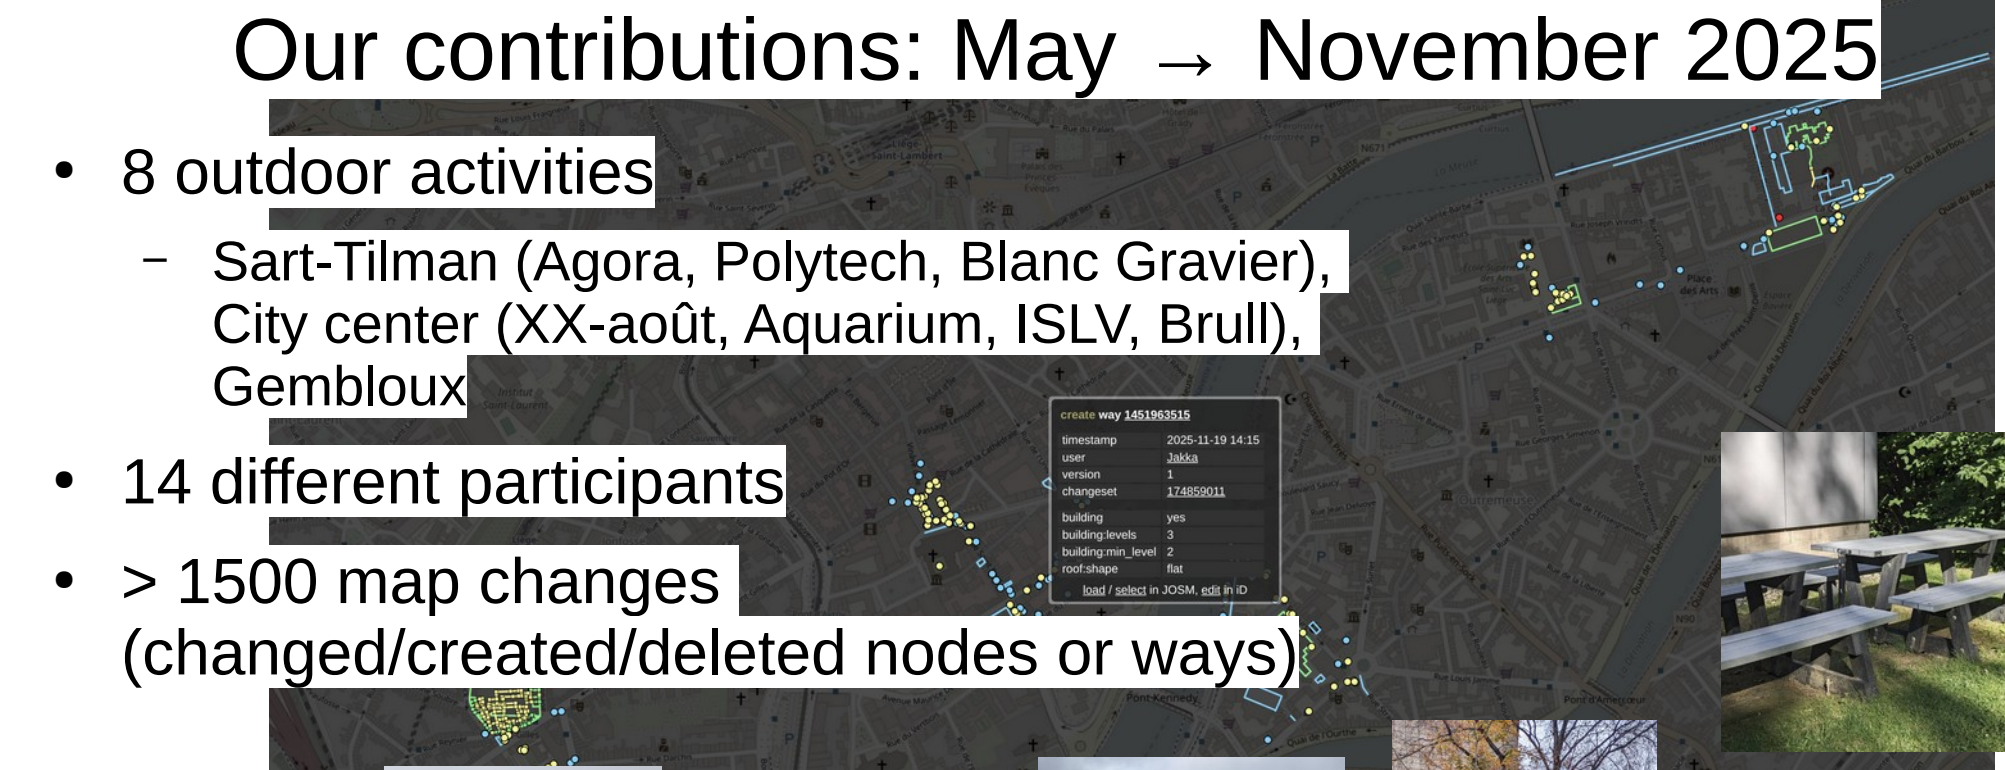
- > 1500 map changes (changed/created/deleted nodes or ways)



Why to join ?

- Contribute to OpenStreetMap data used by thousands of websites and applications, and millions of users/contributors (incl. municipalities, public services, researchers, ...).
- Help make our ULiège campuses better documented and more accessible.
- Walk and discover hidden places (“Pokemon Go” vibe) !
- Discover easy-to-use map editing tools & continue mapping independently.
- Share a friendly moment with other enthusiasts of open data.
